Dynamic Map Platform Co., Ltd.

Notification of listing on the Tokyo Stock Exchange Growth Market

On March 27, 2025, Dynamic Map Platform Co., Ltd. (Head Office: Shibuya-ku, Tokyo; CEO & President: Shuichi Yoshimura; “Dynamic Map Platform”) was newly listed on the Tokyo Stock Exchange Growth Market (securities code: 336A).

In addition to informing you, Dynamic Map Platform would like to sincerely thank everyone who has supported the company since its founding for their help and contributions.

Dynamic Map Platform was established with the backing of the Japanese government and investment from 10 Japanese automobile manufacturers and other enterprises. The company’s headquarters are located in Japan, and it also has bases in North America, Europe, the Middle East, and South Korea; it is expanding its business in 26 countries. As a High-Precision 3D Data platform that replicates the real world in a digital space, Dynamic Map Platform supports innovation in various industries, having set its purpose as "Building a high-precision location-based infrastructure globally as a foundation for a digital society and opening up a new future for autonomous driving and other industries." The company will continue its tireless efforts in the future, expanding its market in Japan and overseas to match the further development of autonomous driving and Advanced Driver Assistance Systems, in addition to widening the uses of its High-Precision 3D data, further strengthening its technological predominance, and more. As it does so, Dynamic Map Platform appreciates your continued support.

On top of this, an updated version of the company’s corporate website has been launched today. The changes include a revamp of the overall design and content, as well as a newly created page for IR information. You can check out a variety of IR information via the link below.
